Spices & Boards

Organisation is an ingredient that will make any meal better. With this cabinet you can store your seasoning right next to your cutting boards.

Patent pending

The lower tray is flippable. One side has a fluted surface to keep your cutting boards in place. The other side is flat which makes it suitable for bottles and other household items.

Upper tray

Suited for spice jars and seasoning sachets. Smaller items can be stored in the box.

Lower tray

Suited for cutting boards, oven trays and grill grates.

Max load
