Never out of style

These are the storage solutions that should form the foundation of every well-organized home. From basic necessities such as rails and baskets to more niche products such as shoe racks and accessory boxes. Quite simply, the essential building blocks you need to create an easy-to-access home storage system that combines clean lines and timeless design in every detail.

THE RAIL

A wardrobe essential with a twist

Keeps your clothes crease-free and accessible. To maximize use of available space, there’s a version fitted with hooks that you can mount at the back of your wardrobe. If you need even more storage, there’s also a side-mounted option.

The ideal storage solution for your shirts, jackets, sweaters and dresses.

Maximize use of available space with a version fitted with hooks that you can mount at the back of your wardrobe.

The side-mounted option is ideal for storing belts, necklaces, bags and other accessories.

THE MIRROR

Love at first sight

With its fold-away design, the mirror takes up minimal space inside your wardrobe. Slide it out and swivel it to just the right angle to ensure everything looks perfect. A foldable version is also available.

The smaller-sized mirror is ideal for putting on make-up. Folds back when not in use.

You can choose whether you want the mirror on the left- or right-hand side of the wardrobe.

The pull-out solution saves on space, as both the medium-sized and large mirror are fitted inside the wardrobe.

Features

- Foldable¹
- Extendable²
- 180° swivel²
- Left or right mounting

Colours

- White RAL 9003
- Silver RAL 9006
- Anthracite RAL 7022
